WHO WE ARE

Lucky 13 Action is a supplier of bespoke Action sequences for Film, Television, Theatre and Live Events.

WHAT WE DO

Lucky 13 Action prides itself on delivering the highest quality of physical storytelling, pushing boundaries for productions whilst maintaining the highest standard of safety.

We strongly believe that good action is informed by story. Our work is narrative driven, building around character, story arc and setting to produce kinetic action sequences that feel seamlessly interwoven with the wider world and themes of each production they inhabit.
